☒ Yes, I would like to be added to your e-mail list.

Your input on the BDCP EIR/EIS is greatly appreciated. Please write your comments below, including comments on the extent of the action, range of alternatives, methodologies for impact analysis, types of impacts to evaluate, and possible mitigation concepts. Comments will be accepted until close of business on May 30, 2008.

Thank you for the meeting. I concur with many of the comments made by the community members. Specifically, I'd like to have an agenda that's more "meaty" in advance; more advance notice of the meetings; and local representation (elected officials, area residents) on the Steering Committee.

And please be mindful of this: We know that this is your job. None of you live here. You can go home at the end of a day, week, month, at retirement, and have collected your pay and forget about it. For us, it's day-to-day. It's our home, our work, our past, our future. We know how important the delta is — to ourselves and to the others — everyday!

Please submit your comments at station 6 at this scoping meeting, or fold this form in half, seal with tape and mail to:

Ms. Delores Brown, Chief, Office of Environmental Compliance, Department of Water Resources, P.O. Box 942836, Sacramento, CA 94236.

You may also e-mail your comments to BDCPcomments@water.ca.gov. **Comments must be received by May 30, 2008.**

Thanks!
